

*Summer*  
**GIFT DAY**

22 JUNE • 2025

We long to see our young people transformed by God's love, growing deeper in their relationship with Him and living out their faith every day.

In the past year, it's been incredible to witness eleven young people get baptised! Newday - a Christian youth festival with around 9,500 attendees - played a key role in their faith journeys.

This Summer Gift Day, we have another opportunity to invest in the next generation. In July 2025, we're heading to Newday with a group from King's and from another church in Haywards Heath. We also have the privilege of 23 young people joining us from New Ground churches across the South of France.

We're committed to keeping costs as low as possible so that no one misses out. Families will cover ticket fees and we're aiming to raise £15,000 to cover Newday expenses and other youth opportunities through our Summer Gift Day.

# Future Plans

As we continue to invest in our youth, any additional money raised through this Summer Gift Day will also go towards two significant opportunities over the next couple of years:

## YOUTH WEEKEND AWAY

Following the success of our previous youth weekend away, planning has started for the next one - timing to be confirmed depending on mission trip plans.

## MISSION TRIP

We're looking into a mission trip to Lyon, France, to connect with a New Ground church there. At Newday this summer, we will begin building relationships with their youth, which would lay the groundwork for this trip.

## HOW CAN YOU *help?*

1.

Would you consider giving a one-off gift in our Summer Gift Day on 22 June?

2.

Pray for our young people - that they would meet with God and grow in their relationship with Him

3.

If you have a heart to see young people grow in their relationship with God and are interested in joining our mid-week or Sunday youth team, please talk to our Youth Team Leader Luke Stevens, or email him at [luke.stevens@tkc.org.uk](mailto:luke.stevens@tkc.org.uk)

What an amazing opportunity we have  
to encourage and disciple our  
young people!

*"At the beginning of the summer, I'm going to Newday for the first time. Ever since September last year, when we saw a video of what it was like and the amazing experiences people had there, I knew I had to go. I'm looking forward to spending time with more teenagers who love the Lord and want to get closer to him, just like I do."*
